

2018/2019 Season Company & Dance Club Auditions

Parent Comments/Schedule Conflicts

Enter your comments here or special schedules. Special Schedules applies to competitions not weekly technique classes which we usually cannot consider conflicts for. There are over 400 students at OCPAA and the weekly class and rehearsal schedules are made based on required classes, room size and teacher availability and not on student availability. The studio will make every effort to accommodate major life events. Enter dates you will have major scheduling conflicts such as weddings (part of wedding party), surgeries, etc. Company is a commitment and we request that no major events or travel be scheduled during competition season - February to July. Once the schedule is out in the fall you will be able to plan around it. Accommodations for schedules are not guaranteed. You may attach schedules to this document and bring it to the first day of auditions.
